

To explore outstanding charter schools across the United States, you can utilize the following directory:

National Alliance for Public Charter Schools: Charter School Directory

- **Description:** This directory allows you to search for charter schools nationwide, providing information on school locations and profiles.
- **Access it here:** <https://publiccharters.org/find-a-charter-school>

Additionally, for state-specific information, many state education departments provide directories of charter and magnet schools. For example, the New York State Education Department offers a directory of charter schools within the state.

nysed.gov

Here are some prominent charter school networks across the United States:

KIPP (Knowledge is Power Program) Schools

- **Overview:** A network of free open-enrollment college-preparatory public charter schools in underserved communities throughout the United States. KIPP is North America's largest network of public charter schools
- **Website:** <https://www.kipp.org/>
